GENERAL INFORMATION

Summer training is commonly referred to as summer camp by cadets. The several Cadet Training Centres (CTCs) across Canada offer a variety of exciting and dynamic training courses. Some are located in unique settings such as the Rocky Mountains of Alberta and north of 60° in Whitehorse, Yukon. Others offer specialized training, such as Connaught CTC where the training centre's focal point is advanced training in marksmanship.

Regardless of where a cadet goes for summer training, he or she is certain to have a fun and rewarding summer. Summer training offers, for some, an opportunity to travel internationally while for others it means meeting new people from across Canada while learning.
